

DINNER TIME

Dinner time, dinner time,
Dinner time for me
On my dinner plate I see
Yummy food that's good for me

5 rolling green peas
4 potatoes topped with cheese
3 baby carrots, yes please
2 broccoli bits of trees
And 1 sizzling sausage
I gobble them up
5 4 3 2 1
Look the peas are gone

Dinner time, dinner time,
Dinner time for me
On my dinner plate I see
Yummy food that's good for me

4 potatoes topped with cheese
3 baby carrots, yes please
2 broccoli bits of trees
And 1 sizzling sausage
I gobble them up
4 3 2 1
Look the peas are gone...(etc)

(Last verse)

Dinner time, dinner time,
Dinner time for me
On my dinner plate I see
Yummy food that's good for me

1 sizzling sausage
I gobble it up
(gulp) all gone
Look my plate is done

I scream, you scream
We all scream for ice cream
