

# Cartwheels

From Jam On Toast: Slice #3!  
Words & Music by James Madsen

## Part 1

When I do a cartwheel  
My feet lift off the ground  
When I do a cartwheel  
My world turns upside down

## Part 2

Cartwheel, cartwheel  
Off the ground  
Cartwheel, cartwheel  
Upside down

## Bridge

I can twirl and spin  
And make everybody grin  
I like to see things from  
A different point of view  
Do you?
